Final Note by the Minister for Finance and Revenue.

Subject.— Proposal to promote Messrs B. H. Gulab Singh, Probationer and Mr. M. K. Singlachar, Ranger as Sub Assistant Conservators.

In his communication dated the 23rd January 1942, the Chief Conservator of Forests has recommended the promotion of Mr. B. H. Gulab Singh, B.Sc., Probationer as Sub Assistant Conservator (Sub-pro-tem) from the 9th November 1941 in the vacancy caused by the promotion of Mr. J. P. Mascarenhas as Assistant Conservator and of Mr. M. K. Singlachar, B.A., the senior most, First Grade Ranger on Rs 130/- as Sub Assistant Conservator (Temporary) against the post recommended for the Forest Ranger School. Mr. Gulab Singh is the last Probationer waiting for promotion and the recommendation of the Chief Conservator of Forests in this respect is in order. As regards Mr. M. K. Singlachar, the Chief Conservator of Forests is of opinion that, though his promotion has been withheld in the past on account of adverse reports, he may be given a chance of rising again into the Gazetted Rank as he is a graduate - holder of the Dehra Dun Training qualification, with long service and recent favourable confidential reports, besides having acted as a Sub Assistant Conservator for a number of years. I agree with the Chief Conservator of Forests.

The subject was considered at the Meeting of the Council of Ministers held on the 5th and 6th March 1942 when it was resolved that "the recommendations of the Chief Conservator of Forests may be sanctioned".

The resolution of the Council may be graciously approved.

Re:- Promotions to the grade of Sub Assistant Conservators.

Sub-orders issued separately

In continuation of my letter of even number dated 5th December 1941 proposing promotions to the Assistant Conservator's grade vice Dr. D. A. Rama Rao on other duty as General Manager and Secretary of the Mysore Match Factory, I have the honour to recommend for the approval of Government, the following promotions in the consequential Sub Assistant Conservator's vacancy and against the post of Sub - Assistant Conservator recommended for the Forest Ranger School (vide my letter No.3-19/41 dated 6-11-1941):-

(i) Mr. B. H. Gulab Singh, B.Sc., Probationer on Rs.125/- to be appointed as Sub Assistant Conservator (S.P.T) from 9-11-1941 vice Mr. J. P. Mascarenhas proposed for promotion to the Assistant Conservator's grade. In view of the urgent orders to be executed in connection with the War supplies this officer's retention in Agumbe Range of which he is now in charge even after his promotion as Sub Assistant Conservator from 9-11-41 to the date of his joining duty in the Forest Rangers School, may be kindly sanctioned by Government.

(ii) Mr. M. K. Singlachar, B.A., who is the senior most I Grade Ranger on Rs.130/- to be promoted as Sub Assistant Conservator (Temporary) against the post recommended for the Forest Ranger School. This Ranger besides being a graduate, possesses the Dehra Dun Ranger's Training qualification. On account of adverse reports his promotion to the grade of Sub Assistant Conservators was held back in the past. His recent confidential reports are however favourable and for this reason and in view of his qualifications and long service as Ranger, and in consideration of his having been once a Sub Assistant Conservator for some years it seems fair to give him a chance of rising again to the Gazetted ranks. It is in these circumstances that his promotion as Sub Assistant Conservator has now been

been recommended.

I request that orders of Government on the above recommendations may be kindly communicated to me early.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Conservator of Forests.

D.F.O. This is the first time he is put in charge of a major Range & he is improving now in his work

CF. It is a pity this senior man has not earned a good report anywhere and has repeatedly been superseded. If he does not do well here also it will have to be seriously considered why he should not be retired.

1937-38

D.F.O. As stated by the S. DO he has carried out fairly well the important works in the Range. But he is wanting in initiative & tact. He has got a knack of getting unpopular with most of the people with whom he comes into contact & as a result he can scarcely get on with his work tomorrow.
